DETAILED ACTION

Terminal Disclaimer

The terminal disclaimer filed on 10-31-06 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of 6,835,239 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

The rejection of the previous Office Action has been overcome by the filing of Certified English Translation of the Foreign Priority documents. Applicant filed a Terminal Disclaimer to overcome the Obvious Double Patenting rejection placing the case in condition for Allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
